CHICAGO, FRIDAY, AUGUST 3, 1906.

PRICE 5 CENTS

INVINCIBLE TO DANDELION.

HITCHCOCK'S COLT TAKES THE BRIGHTON FEATURE IN HEAVY GOING.

Jaunty Falls and Breaks a Shoulder-Nannie Hodge Defeats Far West and Spoils a Coup-Gold Lady Attracts Attention.

New York, August 2 .- Francis R. Hitchcock's Dandelion finally won a race. The going had no terrors for the lightly-weighted Hamburg four-yearold and he won the Invincible Handicap of \$7,500 ne mile and a quarter in a close finish, after an errorless ride on the part of jockey Sewell. For a horse that has actually started favorite in the three biggest handicaps of the year, the price quoted for today's stake, in which he was opposed by mediocre opposition, was an amazingly liberal one. A num-ber of big commissions went on him however, and his connections must have fully recompensed themselves for previous losses.

Web footers held sway this dreary afternoon

The slowest, deepest, wettest and most laborious going seen here in a decade prevailed at the Brighton course. Many well backed horses were successful, but the betting contingent generally were heavy leaves.

Jaunty, favorite in the two-year-old race, which ried nearly as much money as Dandelion mbled and fell a furlong from the finish, sus taining injuries so serious that it was at first taining injuries so serious that it was at first thought necessary to destroy her. On the advice of a veterinary who pronounced her shoulder blade fractured, W. H. Laudman, the owner, decided to make an attempt to save the game Ingoldsby—Tweedledum filly for the stud and the horse van was accordingly requisitioned to haul her away. Nannie Hodge was a lukewarm favorite for the first race and carried little of the smart money. To Sewell's skillul ride was due her nose victory.

To Sewell's skilfull ride was due her nose victory over the badly handled Far West, which was backed for a fortune.

In the second race, Gold Lady, also neglected in the betting, ran past the leaders at the end, showing such unexpected speed and stamina, after being ap-parently hopelessly beaten at the half, that the majority of horsemen present began to look her over parently in the paddock.

A poor lot competed in the mile and sixteenth selling. Donna won out after the contenders, Water Tank and Cholk Hedrick had put themselves out of commission by bolting on the last turn. Two successive big upsets followed the running of the stake in the victories of Flowaway and O. K., but Druid sayed the day by winning the election were the refit. saved the day by winning the closing race at profit able odds, the result being never in doubt.

Present prospects indicate that the largest New York contingent which ever left for Saratoga will be on its way after the close of this meeting. Two hundred and fifty bookmakers put their names down today for the first "cut in." The betting ring at the Spa will not accommodate more than half that number of layers.

August Belmont Jr. was inpured by a fall while playing polo at Saratoga yesterday.

Yesterday's tremendous cloudburst of nearly two hours' duration was confined solely to the two Beaches—Manhattan and Brighton. A half mile away the ocean boulevard was thick with dust.

Breckenridge Castleman, president of the new Douglas Park track at Louisville, was at Brighton

William Murray has been re-engaged as starter for the week's racing at Hamilton, Ont., which com-

mences on September 25.

Jockey L. Smith has been set down for the re-

mainder of the meeting by starter Dade.

It was rumored that the running of the two-yearold George S. Davis-in yesterday's Sunshine Stakes is receiving official attention. The Sombrero colt's extremely bad race was, it is alleged, anticipated in the stewards' stand.

PETER STERLING WILL RACE AT SARATOGA

Buffalo, N. Y., August 2.-Thére was good sport at Fort Erie today. Three favorites and two second choices won. The feature of the card was the steeplechase handicap over the short course for orses which have run and not won a steeplechase at this meeting. Trenct the Mere and won in a handy manner, but he pulled up lame.

Amos Turney, Herman Flippen and G. Douglas will take their strings to Saratoga. Sam Parmer has arranged to send his three-year-old Peter Sterling along with this lot. Peter Sterling has shown himself to be easily the best horse racing on this circuit and if he retains his present form he will more than hold his own with some of the crack colts of his age at the Spa. This morning Peter Sterling ran a mile in 1:39. This was his final trial for the Canadian Sportsman's Handicap to be run at Fort Erie Saturday.

La Gloria's victory in the fifth race today, when she ran the six furlongs in 1:12\frac{3}{2}, led to a change in ownership. The filly was entered for \$600 and when J. B. Dunn, owner of Governor Orman, bid her up to \$800 she was knocked down to him.

Edward Corrigan wired President Hendrie, of the Highland Park Jockey Club, that he would ship John Carroll and Alma Dufour from Latonia to Fort Erie tonight. They are both eligibles for the has arranged to send his three-year-old Peter Sterl-

Erie tonight. They are both eligibles for the Canadian Sportsman's Handicap to be run Saturday, and in the event of the track remaining fast, both

Tom Ryan's True Wing arrived from her owner's rm in Illinois yesterday. She was shipped here start in the big race Saturday.

FORTY-SEVEN MILES BETTER THAN 1:40.

During the first seven months of this year, forty even races at one mile were won in better than 1:40. Thirteen of these races were run at Belmont Park, six at Sheepshead Bay, six at Ascot Park, six at Latonia, three at Rockingham Park, three six at Latonia, three at Rockingham Park, three at Fort Erie, three at Aqueduct, two at Brighton Beach, two at Toronto, one at Windsor, one at Oakland and one at Oaklawn. Broadcloth, Rebo, Alma Dufour and Hamburg Belle each have two of these fast miles to their credit. The fastest mile of the year was 1:372, just one-fifth of a second slower than the American record held jointly by Dick Welles and Kiamesha, made by Inquisitor when he won the Sheepshead Bay Handicap. This was probably the most exciting race of the year, for Inquisitor, Von Tromp, Halifax and Dishabille finished heads apart, with Dolly Spanker a half length back and the same distance in front of Bedouin. Incidentally this is a new record for the Sheepshead Bay track. That race of Accountant's for the Withers Stakes was a rattling good performance. He did the mile in 1:38½ with 126 pounds up, the highest weight carried by any of this year's star milers. Perverse is the only other three-year-old that has carried more than 120 pounds and run a mile better than 1:40 this year. Bobbie Kean, Hamburg Belle and Glorifier, the first named a five-year-old, and the last two four-year-olds, are the only others that have turned the trick with a burden of 120 pounds or more. In one of her miles at Latonia the good mare Alma Dufour had up 119 . Here is a list of the miles that have be run in better than 1:40 from January 1 to July 31,

BOBBIE KEAN A BAD ACTOR.

Bobbie Kean is again on the schooling list. His oad behavior at the post in the race which resulted in his dead heat with Lotus Eater at Brighton Beach on Tuesday caused starter Dade to issue the order. This is how the Morning Telegraph tells about it: "Bobbie Kean has tried before that he was the equal of Proper, Halifax and the others who hold the bad actors' record, but yesterday he hung up a new figure. He had the middle position and he tried to kick the starter and one-half of the horses into the infield and the other half into the field stand. the center of the stage and would not turn around to the barrier. He has a particularly nasty way, when the assistant starter has him almost turned facing the barrier, of whirling sharply in the opposite direction until his tail is draped gracefully over the network."

GARTH'S HORSES TO HAVE A REST.

New York, August 2.—Billy Garth will ship two carloads of horses to his farm in Virginia tomorrow to rest up during the Saratoga meeting. He will come back for the local fall meetings.

A GREATLY IMPROVED RACEHORSE.

Angler was not much of a racer last year. He managed to scramble into the first three on several occasions, but the best he could show for his season's work was a solitary winning race, and that a race for maidens at Brighton Beach, July 5, in which he beat Chrysolite, Ismailian and some other lowly non-winners at a mile and a sixteenth, run in 1:48. However, that was last year and Angler has mended his manners and now runs as a brother of Macy should. He has shown himself to be a fast horse and a real stayer, but he has not as yet been asked to carry high weights, so until he has shown that he can meet that test satisfactorily he cannot be rightfully called a high class racer, but at any rate he is more than useful and a credit to his dead sire, famous old Hindoo.

This year he ran his first three races as the property of W. Clay. His last eleven have been in the ownership of J. D. Odom. For Mr. Clay he captured one race. This was on the occasion of his first start in 1906. It was in a five and a half furlongs dash, at the Lexington spring meeting, in which he defeated Dr. Wang, Charlie Eastman, Auroceiver, Robin Hood and Anne Stone in 1:07g. Then he was taken east and at Brooklyn ran third to Grenada and Consuelo, at a mile and a sixteenth, and second to Benevolent at the same distance, then became the property of Mr. Odom. His first four races for the latter were failures although he twice finished third. Then he blossomed into good form, began to win and, but for a hopeless start in one race, would have been returned the winner of sever

races in a row. As it was he took six of the seven.

His first win for his new owner was at Sheepshead Bay, June 27, in a dash of a mile and a half over the grass course. He was a 15 to 1 outsider, carried 106 pounds and won cantering by four lengths in 2:33%, with Glenecho, 108; Huntington, 106; Lancastrian, 95; Leila, 99; Yorkshire Lad, 106; Jennie McCabe, 101; Purity, 101, and Snow King.

108, strung out behind him in the order named.

Next he ran unplaced, July 3, in a mile and a sixteenth race won by John Lyle, because he was nearly left at the post and had no chance from the outset. Since then his career has been one of unbroken and easily schlered success and from a unbroken and easily achieved success and from a selling plater he has advanced to the handicap division. The first of his line of five straight victories was at Sheepshead Bay, July 9, when he won at a mile and three-quarters in 3:04 by four lengths, with Lella second, Huntington third and Lancastrian, Woodsman and Priority unplaced. He carried 107 At Brighton Beach, July 12, he won at a mile and an eighth in 1:523, with 106 pounds up, de feating Lancastrian, 99; Red Friar, 107, and eight others. It was in every way an excellent perform-ance. At the same track and with the same weight, July 20, he ran a mile and a quarter in 2:05 and won in a canter from Tyron, Embarrassment an six more. The foregoing were all selling races, but he next came out, July 25, in a handicap at a mile and an eighth and, with 107 pounds, easily defeated Outcome, 112; Corrigan, 90; Tartan, 100; Ceder-strome, 105, and Agile, 114, in 1:53. His last start was in a handicap at a mile and a quarter in which with 112 pounds in the saddle, he cantered home in front of Corrigan, 94; Coy Maid, 110; Sallor Boy, 90; Agile, 109, and Lord Badge, 89, covering the dis tance in 2:05%. It is to be regretted that this really good horse has no stake engagements at Saratoga, but he will no doubt be seen in action there in the overnight handicaps and condition races and a hard horse to beat.

STEEPLECHASE STEWARDS MEAN BUSINESS.

One of the stewards of the National Steeplechase and Hunt Association says that he and his ass ciates are in deadly earnest in their purpose to enforce the rules against rough riding. "Steeple-chasing," this gentleman said to the Morning Tele-graph, "is dangerous enough when jockeys are scrupulously regardful of the rights of each other. Indiscriminately rough and careless riding would ake it so dangerous it could not exist. The stewards of the National Steeplechase and Hunt Association are determined to severely punish all riders detected in the act of rough handling their e will bring about a revocation of the offender's license. And once a license is taken away on such a count, no amount of influence will effect a reversal of the judgment of the stewards.

JAMES LOUGHMAN DIES AT KENOSHA.

James Loughman, widely known as an official on western turf, died at Kenosha, Wis., Wednes day, and his body was brought to Chicago yesterday for interment. Mr. Loughman was 43 years of age and for more than a wood age and for more than a clated at the Chicago tracks, usually as paucocaciated at the Chicago tracks, usually as paucocaciated at the Chicago tracks, usually as paucocac clated at the Chicago tracks ing from Bright's disease and dropsy for more than a year. He was compelled to abandon his duties at Memphis in the spring, coming to Chicago where he remained until two weeks ago, when he was sent to the sanitarium at Kenosha. He was a quiet man who did his duty as he saw it and enjoyed the friendship of horsemen generally.

FOUL RIDING AT LATONIA.

BOTTLES IS DISQUALIFIED AFTER FINISHING SECOND TO OVELANDO.

Morales Does Some Bumping, Too-Meadowbreeze Easily Wins the Handicap—Hayes Ships Half

a Dozen Horses to Saratoga.

Cincinnati, O., August 2 .- A free handicap at three-quarters of a mile and a sprint at five and one-half furlongs that brought out some good twoyear-olds, were the features of an ordinary gram at Latonia today. Meadowbreeze seemingly had the best of the weights in the handicap and came in for good support. He broke in front to a fair start, early secured an advantage of three lengths over the others, carried his competitors along so fast that none of them could get near him, and won easily. With his impost of 124 pounds, Colonel Jim Douglas ran an extra good race and finished a fast going third, John L. Inglis taking second place. In the two-year-old race, won by Ovelando, Bottles

finished a rapidly closing second, but was disquali-fied for fouling Morales. It seemed as if the judges could have gone a bit further and disqualified Morales also, as Seder, on the Fizer colt, was appar-ently as much to blame for the interference. Cam-ille had all the worst of the bumping and was almost thrown down at the final sixteenth post.

T. P. Hayes shipped six horses to Saratoga today.

They are Funiculaire, Princess Orna, Binondo, Red-gauntlet, Fair Fagot and Aline Crockett. With the consignment was shipped Hazelthorpe, belonging to Ed Alvey.

Jockey Nicol took a day off to go fishing and will teturn to the saddle tomorrow. John Carroll and Alma Dufour will be shipped to

run in a stake at Fort Erie next Saturday. Jockey E. Morrison will accompany the horses and ride John Carroll; J. Daly has been engaged to ride Alma Dufour

W. Buchanan was to have ridden Weberfields today, but refrained from doing so on account of a

May Overton passed through here today en route from New York. He says there will not be a fall

iron New York. He says there will not be a fall meeting at Nashville this year.

Jockey C. Morris was suspended for three days by the starter for disobedience at the post in the fourth race and was later on fined \$25 by the judges for rough riding on Bottles.

IMPROVEMENTS TO BE MADE AT BRIGHTON.

New York, August 2 .- Architects and contractors are now working on plans for general and extensive improvements on the Brighton Beach Racing Association's plant. Work, however, will not begin until after the fall meeting. The grandstand is to have a comfortable extension on the end next to the betting ring. The capacity of the field stand will be doubled. There will be some improvements in the betting ring also. The infield will be filled in for several feet and a lawn with grass, similar to that at Belmont Park, will be the result. Landscape gardeners will be put to work, and all around the backstretch trees will be planted. A row of trees planted this spring already decorates a portion of the backstretch, but more will be added. There has been scarcely a day during the present meeting that every seat in the grandstand has not been occupied. As for the field, it has been packed every day and the need for more room there has be imperative.

SHIELDS HOLDS GO BETWEEN AT \$30,000.

New York, August 2 .- "My horses are for sale to any one who wants to pay the price," Shields. "That is not saying that I am going to race abroad, but simply that I have good ho that there is a price on each and every one of them. I think I have the best distance horse in training in Go Between and the best sprinter in Halifax. Between will carry any weight and run as far as horses are asked to go these days. Hallfax worked so fast for me that I am convinced he is ab the fastest horse in the world. Prices? Well, no one has tried to buy either of them, but if they pass out of my possession I will be worth \$50,000 more than I am now. Go Between is worth \$30,000 and the little horse two-thirds of that amount."

ACCOUNTANT READY FOR BRIGHTON DERBY.

Accountant was galloped a half mile in :51 at Gravesend Tuesday. A workwatcher says of him: "This good colt has plenty of speed, and from the manner in which he has been going along of late ought to be thoroughly fit for the running of the Brighton Derby Saturday."

HOWLAND IS ASSIGNED TO WYOMING COUNTY.

New York, August 2.-Howland, the son of Hin--Richochet, which was presented to the Jockey Club for the Breeding Bureau by H. K. Knapp, has arrived from Kentucky and has been assigned to the care of Thomas Kebblewhite, Maple Lawn Farm, Silver Springs, Wyoming County.

Winner—B, f, by Toddington—Salverine (trained by J. W. Hall).

Went to post at 3:29. At post 2 minutes. Start good. Won driving; second and third the same. Field Lark, well ridden, was reserved in the early running and to the stretch turn, where she moved up fast when called on, but had to be hard ridden near the end to stall of a resolute challenge by Zinda. The latter went wide most of the way, finished with a rush and was going gamely at the end. Nine began slowly, but improved his position gradually, closed a big gap, finished faat and will improve. Magic, away in a tangle, showed speed and, after saving ground when turning into the stretch, finished fast. Sand Bath ran a fairly good race only. Minnehaa tired badly in the final quarter. Miss Anxious quit. Babe B, lacked speed.

Scratched—639863Airship, 102; 62152*Noel, 95; 63986 Mint Boy, 100; 63847 Malleable, 108; 63904 Dresden, 102.

Dresden, 102. Overweights—Minnehaha, 3 pounds; Oasis, 1; Babe B., 1}.

64004 FOURTH RACE—3-4 Mile. (1:124-3-103.) Purse \$600. 3-year-olds and upward.

Winner—B. c, by Meadowthorpe—III Wind (trained by J. Arthur).

Went to post at 3:55. At post 4 minutes. Start good. Won easily; second and third driving. Meadowbreeze, away running and fully in motion, showed the most speed and won all the way with plenty in reserve. John L. Inglis, well handled and running to his best form, was always a forward contender and finished going fast and gamely. Colonel Jim Douglas put up a good performance and finished resolutely. Ethel Day had no mishaps, was not good enough and is not partial to much weight. Coruscate ran a fairly good race and finished fast, but favors a longer distance.

Scratched—63963-Devont, 107.

Overweights—John L. Inglis, 1 pound.

Winner—B. c, by Orlando—Sister, by King Alfonso (trained by J. Lally).

Went to post at 4:26. At post 1 minute. Start good. Won easily; second driving; third the same. Ovelando showed the most speed all the way and always held the others safe, but had to be shaken up in the stretch ran. Bottles, going wide all the way, ran a good race, but bore in slightly through the stretch, thereby interfering with Morales, which in turn almost caused Camille to fall, and was disqualified for fouling. Morales, away in a tangle, ran a good race and would have been closer up but for the mishap. Bitter Boy, showing steady improvement, came fast through the stretch and finished going gamely. Camille was eased up to a canter when interfered with.

Winner—Ch. g, by King Gold—The Wraith (trained by J. McClernand).

Went to post at 4:55. At post 5 minutes. Start bad. Won easily; second and third driving. Oberon ran as if much the best, moved up steadily and, after rounding the stretch turn, came on fast when called on and, drawing away, won easing up. Royal Legend ran a good race and set a fast pace from the start, stood a drive well through the final furlong and outstayed Alma Gardia. The latter was going well at the end. Capitano ran a poor race and tired badly in the last quarter. Dr. Burch showed speed, but dislikes to go a distance. Golden Mineral ran a fairly good half before tiring. Casperdine, practically left, ran a winning race.

Winner—Ch. g, by Handsel—Magella (trained by C. C. Van Meter).

Went to post at 3:00. At post 2 minutes. Start good. Won driving; second easily; third driving. Chandler, quickly in his stride, rushed into a winning lead in the first furlong, set the pace all the way and outgamed Fire Alarm in the final drive. Fire Alarm had a rough trip for the first three furlongs and was in a pocket to the stretch turn, where he slipped through on the inside and finished fast. Ozanne was forced to work his way up on the outside, finished gamely under a drive and outstayed Vacharis. Hagan was not strong enough to do the latter justice in the final drive. Phil Igoe ran forward'y until well in the homestretch. Rome ran well to the stretch.

Went to post at 3:22. At post 5 minutes. Start good. Won easily; second the same; third driving. Galetta was saved until rounding the turn into the homestretch, then moved up with a rush when called on and, taking a winning lead when straightened out for the final run, was well in hand at the finish. Cantrome raced in a forward position all the way and saved ground on the turn out of the backstretch. Merilene, outrun for the first half, finished with a rush next to the inside rail and outlasted Lena Jones in the final drive. The latter was speedy, but was used up in setting the pace. Wistful tired as if short. Ossineke ran a dull race. Perdition can do better.

Winner—B, g, by Sam Phillips—Tin Cup (trained by W. S. Laird).

Went to post at 5:22. At post 2 minutes. Start good. Won driving; second and third the same. Hamiltan was nursed along for the first six furlongs, moved up with a rush while rounding the turn into the homestretch, wore Request down in the last quarter and outgamed the latter when it came to the final drive. Request closed up with a rush on the far turn, but tired under pressure in the last furlong. Edgely ran a consistent race and was in a forward position all the way. Wishard attempted to go through on the inside with Factotum on the first turn and was cut off and crowded back, then pulled to the outside, but could never get up. Rhinock finished with a rush after making a wide turn into the stretch. Bisque and Paul Deering were caught in a jam at the start.

Went to post at 3:00. At post 2 minutes. Start straggling. Won handlily; second driving; third the same. Gold Lady, close to a high-class filly, was outpaced and had a forlorn chance for the first three furlougs, but closed up with a remarkable run on the last turn and in the stretch, winning soing away fast, Golf Ball, from a fiying start, set a tremendous pace, drawing away in the stretch like a certain winner and was totally unprepared for Gold Lady's end challenge. Montgomery got away poorly, closed a big early gap, seriously menaced the favorite on the last turn and then suddenly tired. Dunvallo ran alongside the pacenaker to the stretch, where he fell back, but ran a good race. Beauclere made up considerable ground. James Crawford showed superior speed for five furlongs.

Donna lost ground on the first turn, but moved up rapidly when beginning the last half, saved ground on the turns and won off by herself. Cholk Hedrick ran in close pursuit of the leaders from the start and appeared to be running well in hand on the last turn, when he bolted and lost all chance of being first or second. Deshon went well for half the journey. Janeta is in bad form. Elwood was unable to raise a respectable gallop.
